PRODUCT DATA SHEET

Work Line by GT Tool Bag Top 06 R

EAN 8024482188911

Compact, Robust, and Always Ready to Use

The TOP 06 R is a professional tool bag designed to provide functionality, comfort, and durability for every on-the-go professional.
Ideal as a tool bag or work backpack, this compact solution is perfect for electricians, maintenance workers, technicians, and installers.
Padded pockets ensure tool protection, while the adjustable strap allows for comfortable and practical carrying.
The reinforced anti-shock base offers reliable protection even in the toughest working conditions — a must-have for those seeking a lightweight, versatile, and rugged tool bag.

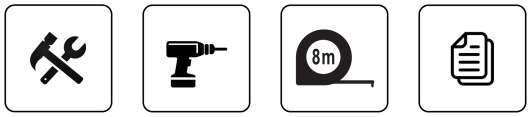

Features

1. Padded protection for delicate tools.
The internal pockets protect and keep tools and accessories organized during transport, preventing shocks and scratches even for the most delicate instruments.
2. Comfortable and adjustable transport for every need.
The ergonomic and adjustable shoulder strap allows the bag to be carried comfortably on the back, adapting to the user's posture and reducing fatigue.
3. Strength and stability in any work environment.
The reinforced shockproof bottom protects contents from accidental impacts, ensuring long life even on construction sites or in workshops.
4. Compact, lightweight, and functional design.
With dimensions of 515 x 210 x 300 mm and a weight of only 1.55 kg, the TOP 06 L R is perfect for those looking for a practical tool bag that doesn't sacrifice capacity.
5. Ideal for any professional application.
The TOP 06 L R is suitable as a tool bag, professional backpack, tool case, or tool backpack for safe and quick transport.
6. Simple and quick organization.
Multiple pockets allow for an orderly arrangement of tools, reducing intervention time and improving efficiency on the field.
7. Work Line by GT style: 100% Made in Italy reliability.
Part of the Work Line by GT series, a name synonymous with quality and durability for demanding

professionals, the TOP 06 L R is built to last and support you through every work challenge.
