PRODUCT DATA SHEET

Work Line by GT Tool Bag Top 10 R

EAN 8024482189192

Compact, Functional, and Perfect for the Professional on the Move

The TOP 10 R is a compact, multifunctional professional tool bag designed for modern technicians who need to carry tools, electronic devices, and accessories in an organized and secure way.

Ideal both as a tool bag and as a laptop bag for devices up to 13", it features an adjustable shoulder strap, a rubber-grip handle, and internal pockets for smartphones, cables, and tools. The rear compartment with elastic tool loops ensures optimal organization, even in dynamic work environments.

Lightweight, stylish, and durable, it integrates seamlessly with GT Line's professional cases, work backpacks, and tool trolleys.

Features

1. Multifunctional bag for tools and notebooks up to 13".

The main compartment is designed to hold a laptop, a cable pouch, and other essential accessories for the workday.

2. Compact and lightweight structure for uncompromised mobility.

With dimensions of 400 x 130 x 310 mm and a weight of 1.40 kg, it's perfect for technicians, installers, and field operators who move frequently.

3. Inner pocket for smartphone and small personal items.

Keeps digital essentials tidy and within reach for daily use.

4. Rear area with elastic bands and tool pockets.

Tools are stored safely and neatly, reducing search time and improving field efficiency.

5. Ergonomic handle with rubber grip and adjustable shoulder strap.

Designed for comfortable and stable transport, offering maximum comfort on the go.

6. Technical, elegant, and professional design.

The clean and functional style of the TOP 10 R makes it suitable for both technical environments and more

formal settings, without compromising practicality.
